

the Lady of the Lake

RODITIS SINGLE-VARIETAL
A VELVETY, ENJOYABLE BEST
SELLER IN... YOUR GLASS

A TENDER,
ROMANTIC STORY
WHICH CAPTIVATES
THE SENSES

Like a gentle breeze which caresses your face...like a morning stroll through an orchard of flowering fruit trees...like boating on a tranquil, sun-dappled lake...like a tender, surprising story which deeply touches your heart and all five senses.

A brilliant colour, with highlights of yellow and green, transports you at first sight to a world of innocence and purity – where simplicity is the highest virtue.

Subtle, refined aromas charm you with their notes of green apple and white-fleshed fruits – with just a hint of pineapple. Each sip takes you through flowering gardens, with the gentle spring breeze caressing your face and just barely – imperceptibly – ruffling your hair.

...AND DEEP INSIDE... A ROSE HEART

THE LADY
OF THE LAKE
from the WINERY
MONSIEUR NICOLAS
is an ode to the high
art of simplicity and
innocence.

The mountain slopes around Lake Plastiras enjoy a unique and ideal climate, giving the “misunderstood” Roditis grape, grown in the highland vineyards of the Karamitros family, its hidden bouquet of fine mineral notes, lemony fresh aromas, exceptional acidity and crystal clarity.

WITH QUINTESSENTIALLY FEMALE PACKAGING

A TRIBUTE
TO WOMAN'S
NATURE

Refined, minimalistic aesthetics prevail in the packaging.

The transparency of the bottle allows the wine to display its splendid colour and its crystalline clarity.

The label depicts, in impressionistic style, a female figure aboard a small boat – a romantic interlude of surpassing tranquillity.

But who is the “LADY OF THE LAKE”?

Such a delicate wine perfectly matches the female senses and sensibilities, and so cannot help but be dedicated to a real, true lady...

The vintner Giorgos Karamitros naturally chose to dedicate this special wine to his own “Lady of the Lake”, his mother, who lives in Messenicolas next to Lake Plastiras – having dedicated her life, as with all of the family, to tending their vineyards and practicing the art of winemaking.

A LEGENDARY TERROIR, A UNIQUE WINERY AND FOUR GENERATIONS OF VITICULTURISTS DEDICATED TO THE ART OF WINE-MAKING

MESSENICOLAS, KARDITSA.
A landscape of signal beauty,
a true fairytale, and people
telling their stories from
Medieval times until today –
through the Art of Wine.

Long ago, in 1455, a Frenchman of noble birth, Monsieur Nicolas, arrived at an already ancient Greek vineyard, bringing with him the French tradition of wine-making. In his honour, the natives named both the region and the local variety of grape Messenicolas. Much much later, the creation of Lake Plastiras exerted a beneficial effect on the region's microclimate and produced ideal conditions for the making of truly fine wines.

In this blessed region from the early 20th Century, the Karamitros family opened the road for their wines to travel around the world.

In the year 2000, the younger Giorgos Karamitros founded the Winery as a way of paying tribute to the history, tradition and unique character of the area.

The result is the first and only vertically integrated, modern winery within the Messenicola Protected Designation of Origin (PDO) of the Municipality of Plastiras – with the capability of producing 1 million bottles per year.

From its founding, every year the Winery has won dozens of awards for quality and innovative design in both domestic and international competitions, carrying the wines and reputation of Messenicolas to every corner of the world.
