Wait, friend, wait...

Didn't you always want an authentic French Syrah to open on some cold winter night next to the fire with a few good friends? Didn't you always say that an exceptional Syrah was one of the great pleasures in life for those who know the secrets of fine wines? But you know, for a wine like that - you have to wait...

Just as we have waited here in our winery for the grapes to slowly mature in this blessed place called Messenicolas. Under the shadow of the Agrafa mountains in Karditsa, next to the indescribable beauty of Lake Plastiras - in an ideal terroir which so generously gives us our amazing wines.

Just as the wine itself must wait. In French oak barrels in our winery's cool underground cellar galleries - to slowly acquire its aromas and its distinctive colour - and to be ready to surrender to your enjoyment. But when the moment finally arrives for you to taste it, then you understand that the wait was well worthwhile.

The dense, deep violet colour transfixed the eye, and the full-bodied, rich taste signals an authentic Syrah while its dense, complex, aromatic bouquet contains hints of pepper, smoke, roasted chestnuts, sour cherries and ripe fruit jam.

Enjoy it, and let it carry you away to its own Paradise of aromas and flavours.

Paradise

...and so, seize the moment
before it's gone forever.
Explore it with all your
senses. Enjoy its taste:
mature, full, rich in
experience and emotion.
Close your eyes, and
discover the secrets of
its aromas.

Savour it slowly, slowly,
sip by sip...

Life awaits you in every
minute, to give you the
taste that you deserve!

A LEGENDARY TERROIR, A UNIQUE WINERY AND FOUR GENERATIONS OF VITICULTURISTS DEDICATED TO THE ART OF WINE-MAKING

MESSENICOLAS, KARDITSA.
A landscape of signal beauty,
a true fairytale, and people
telling their stories from
Medieval times until today -
through the Art of wine.

Long ago, in 1455, a Frenchman of noble birth, Monsieur Nicolas, arrived at an already ancient Greek vineyard, bringing with him the French tradition of wine-making. In his honour, the natives named both the region and the local variety of grape Messenicolas. Much much later, the creation of Lake Plastiras exerted a beneficial effect on the region's microclimate and produced ideal conditions for the making of truly fine wines. In this blessed region from the early 20th Century, the Karamitros family opened the road for their wines to travel around the world.

In the year 2000, the younger Giorgos Karamitros founded the winery as a way of paying tribute to the history, tradition and unique character of the area.

The result is the first and only vertically integrated, modern winery within the Messenicola Protected Designation of Origin (PDO) of the Municipality of Plastiras - with the capability of producing 1 million bottles per year. From its founding, every year the winery has won dozens of awards for quality and innovative design in both domestic and international competitions, carrying the wines and reputation of Messenicolas to every corner of the world.
